# Welcome to The Heron

The Heron Bar and our downstairs restaurant, Thai Zapp, are run independently but share a love for great food and drink. You're welcome to enjoy the same menu in both. Due to limited space, if you're just having food and tap water, we'd be grateful if you could sit downstairs in Thai Zapp, it helps us keep bar seats for those enjoying drinks. Cheers!

## Draught & Bottle

### Draught

*The Heron House Special*
